REPORT OF SUPERINTENDENT OF SCHOOLS

The Superintendent of Schools herewith respectfully presents his report for the school year 1933-1934 to the School Board and citizens of the School District of Deering, N. H.:

This year the Board and Superintendent felt that it was best for the children and for the taxpayers to close the Manselville School and send these children to Hillsboro. There was opposition to this action on the part of some of the parents, but the Board felt it was the right thing to do.

Mrs. Colburn returned to the West Deering School; Miss Grace Kathan, a recent Normal School graduate, went to the Pond School; and Miss Erlene Murdough was transferred from the North School to the East Deering School which had been very thoroughly renovated. Miss Murdough did not begin to teach until Jan. 2nd as she was ill, but we felt that we were fortunate in finding a very able substitute in Mrs. Grace C. Webster.

We should endeavor to have our schools in session actually 180 days. To do this I recommend planning a school year of 37 weeks as is done in two of my districts. We may even in that case fall somewhat short of 180 days because in our schools this year we lost 10 days in one way or another.

There were 170 days of school at East Deering, 173 at the Pond School, and 174 at West Deering. Of course it was a very severe winter and the roads were impassable at times.

The percent of attendance for the whole town was low being only 94.7; highest at the Pond School with 97.9; East School, 95.7; and West School lowest with 90.3

At different times during the year we had an enrollment of 42 pupils, but the average membership was 32.7. This was because several families moved into town after the opening of school. The Pond School opened with 9 children and 8 more moved in during the year.

Our grade enrollment follows:

Grade	Boys	Girls	Total	Ave. age in Sept.
1	3	5	8	6.6
2	2	4	6	7.4
3	3	2	5	8.5
4	3	5	8	9.5
5	1	4	5	10.1
6	2	0	2	11.3
7	1	4	5	11.9
8	1	2	3	14.2
Totals	16	26	42	

The Superintendent made 64 visits to the schools; the board members made 14; and parents and friends made 157 visits; 98 at East Deering, 39 at West Deering and 20 at the Pond School. Of the 157 visits 90 were for the special exercises like Christmas and Memorial Day which really do not give an idea of the regular school work. You are invited to visit us to see the regular work of the schools.

The tardiness record was fairly good. The East and Pond Schools each having only 7 cases of tardiness, for an average membership of 11.7 at East Deering, and 10.7 at the Pond School. However, at West Deering, our smallest school, there were five times as many tardy marks as at either of the others, 35 cases in all, which is considered altogether too many.

The Honor Roll of those who have been neither absent nor tardy during the entire year contains only one name, that of Hazel Johnson.

In addition to the 42 different pupils attending our schools, there were 12 at the Hillsboro Grammar School from the Manselville District, 8 in the Hillsboro High

School, and 1 in the Weare High School, 3 in Henniker, 3 outside of New England, and 9 in college, a total of 76 in school out of a population of about 300 from the first grade to the senior year in college. The people of a town in which more than 25% attend school have reason to be proud of their desire for an education.

All our school buildings have had the necessary repairs made, and all necessary expenses incurred, yet our total expense this year was only \$6,255.90 compared with \$6,697.71 in 1932-1933; \$6,999.72 in 1931-1932; \$6,979.43 in 1930-1931; and \$7,611.91 in 1929-1930. We spent during the previous four years an average of \$7,072.19 each year. We have saved this year \$816.29 over that of the average expenses for the previous four years.

We do not claim that saving money should be the great aim of a school board, yet when 11½% can be saved from the school budget while giving our children an even better educational opportunity, we should have the hearty approval of the taxpayers.

We express our appreciation to teachers, board and parents for the hearty cooperation we have had in the work of the schools this year.

Respectfully submitted,

A. A. HOLDEN,
Superintendent of Schools.
